LITTLE SASQUATCH CLUB

Join our club of little musicians where we learn about many exciting things like sound exploration, song creation, group play, rhythm practice, tonal training, and much more!

Popular Plans

Owlbear is our most popular and affordable option consisting of 4 monthly music lessons at your child's school.

Our Sasquatch program is our second most popular option where we bring our music lessons into the comfort of your own home.

Gain access to photos, videos, and much more!

See what we're up to in the classroom with weekly photos, videos, and lesson plans. Each week, we update our lesson plan and timeline, along with photos and videos showcasing your children's musical growth!

OUR GOAL

At Seattle Children's Music Academy, our mission is to spark a lifelong love of music in children by planting the seeds of creativity and inspiring them to one day nurture that passion as a means of self-expression.

The Owner

"I feel like when I was a child, the wonder of music was forgotten by the teachers who'd lost it. I've spent the years finding it again."

We are a subscription-based business, making the process of enrolling your child easy and headache free. The beauty of our business though, is that we allow you to

START & STOP

ANY TIME

Our business is designed around ease. In order to keep things simple, parents may begin or cancel their subscription at any time. No contracts, no hidden details.
